Together We Save Even More

LOOKING FOR INFORMATION ON HOW TO LOWER YOUR ENERGY BILLS THIS WINTER?

Wake Electric has you covered.

Wake Electric is part of a nationwide energy efficiency campaign known as Together We Save. The campaign's mission is to motivate co-op members like you to make small changes in behavior that add up to big savings. And at Wake Electric, we're always looking for ways to bring value to our members. Together We Save offers an unprecedented collection of resources and advice on simple energy efficiency steps you can take in your home.

We've recently recharged the Together We Save campaign with even more tips and ideas to help you save on your energy bills. Where can you go to access this money-saving information? Log on to TogetherWeSave.com, the campaign's online epicenter. Once you arrive, click on one of the tabs, such as "Add Up Your Savings," and enter your ZIP code. You will be redirected to Wake Electric's customized site that is personalized to reflect local rates. Now you're ready to start saving!

TogetherWeSave.com offers everything from videos and interactive applications to an energy savings forum. Use the navigation bar across the top of the landing page to explore the site.

Touchstone Energy® Web TV, found under the "Watch and Learn" tab, is a compilation of more than 50 short how-to videos on topics such as lighting, heating/cooling, insulation and many other energy efficiency topics.

Got an old refrigerator in your basement or garage? It's probably costing you more than you think. Click on the "Energy Savings Applications" tab and scroll down to find out how much you could save by saying goodbye to that old refrigerator. Another new application demonstrates how to save even more with ENERGY STAR® qualified appliances.

Take the Energy Savings Home Tour, found under the "Add Up Your Savings" tab, and discover how all of these small changes add up in a big way. The Home Tour

guides you through each room in a typical home and recommends several energy-savings tips in each room. Areas highlighted in yellow prompt you to take various interactive energy-saving steps, demonstrating how these changes can translate to real savings on your utility bill.

Live in a manufactured home? A new feature points out more than a dozen ways you can cut energy costs throughout your home.

Helping our members save money during tough times is important to us. It's just one more way Wake Electric is looking out for you.

If you're interested in more information on how to make your home more energy-efficient, **call (800) 474-6300 with questions.**

Join us for Member Advisory Committee Meetings in February

Do you want to discuss recent energy legislation and electric utility-issues that matter to you? Then join Wake Electric at one of its Member Advisory Committee (MAC) meetings in February. Members are invited to meet and talk with members of the Wake Electric management team.

This meeting is open to all Wake Electric members. As an incentive, we will have several drawings for a \$25 credit on your next electric bill. You can increase your odds of winning by inviting and bringing another Wake Electric member who has never attended a MAC meeting. If your guest's name is drawn for the \$25 credit, you will receive a \$25 credit, too. Dinner is included for all attendees.

Meetings are relaxed and casual. Members hear about the latest issues facing Wake Electric and are encouraged to engage in

open discussion and ask questions.

The February MAC meetings will be held at Wake Electric's Youngsville office at 228 Park Avenue at 6:30 p.m. Members can choose to attend ONE of the following meetings:

- ★ Tuesday, February 15
- ★ Wednesday, February 16
- ★ Monday, February 21

If you have any questions or wish to RSVP, please contact Darnell Alford, Business Operations Specialist at (919) 863-6312 or (800) 474-6300 or e-mail her at Darnell.Alford@WEMC.com. You must RSVP by 5 p.m. February 9. Space is limited, so it is on a first come, first serve basis. If the date you have chosen is full, you will be notified. Be sure to leave a contact number in your RSVP message.

JIM MANGUM GIVES PRESENTATION

Our last MAC Meetings were a great success! A total of 147 members attended our October 2010 MAC meetings. Jim Mangum, General Manager and CEO of Wake Electric, spoke about anticipating changes in the federal government's electric energy policy. Members in attendance enjoyed fellowship and a delicious dinner, catered by Holden's Barbecue of Youngsville.

Co-op seeks applicants for scholarships

Wake Electric is currently seeking students to apply for its prestigious scholarship program. Students can apply for the coveted Fred M. Alford Scholarship (\$2,000), as well as 16 Touchstone Energy Scholarships (each \$1,250).

All applications will be under consideration for one of the two scholarship categories. Students only need to submit one application to be considered for both programs.

The requirements for the Fred M. Alford Scholarship are:

- ★ Must be a child of or under legal guardianship of a Wake Electric member or live in a home served by Wake Electric
- ★ Must be a high school graduating senior (cannot already be attending college)
- ★ Must pursue a four-year undergraduate baccalaureate degree at an accredited institution in North Carolina

The requirements for the Touchstone Energy Scholarships are:

- ★ Must be a child of or under legal guardianship of a Wake Electric member or live in a home served by Wake Electric
- ★ Must use these funds at a North Carolina college or university, community college, vocational or technical school
- ★ Applicants can be a high school graduating senior or already enrolled full-time in a university, community college, vocational or technical school

To find out more, visit www.wemc.com/scholarships.aspx. The deadline to submit applications to the Wake Electric Scholarship Program is Friday, March 11.

Questions? Contact Wake Electric at communications@wemc.com or (919) 863-6312.

Co-op awards 40 savings bonds to local students

Wake Electric recently awarded 40 U.S. Savings Bonds to area students who received at least one "A" (or its equivalent) on their report cards. The \$50 savings bond awards were part of a drawing held three times a year at the co-op.

Students in any grade in Durham, Franklin, Granville, Johnston, Nash, Vance and Wake counties are eligible to apply.

Funding for the "Give Us an A" program is made possible by Wake Electric members through the Operation RoundUp program. Members who sign up to participate in the Operation RoundUp program elect to have their monthly electric bill rounded up to the next whole dollar. These pennies collectively add up to major dollars for community programs.

The next "Give Us an A" drawing will be held on Thursday, January 20. Because each school district may have a different time for issuing report cards, if a student's entry misses one deadline, the entry will automatically be included in the next drawing.

For information on how to enter, go to www.wemc.com/giveusana.aspx.

The program is another way Wake Electric demonstrates its commitment to education and youth.

Congratulations to two of Wake Electric's "Give Us an A" winners from the most recent drawing, Olivia Wilson from Youngsville Elementary School and Hunter Dickerson from Heritage Middle School.

Bright Ideas 2010 grant winners

Wake Electric awarded 39 teachers in Johnston, Franklin, Granville, Wake, Nash, Durham and Vance counties with Bright Ideas grants, totaling more than \$50,000 in grant monies (See chart on page E to the right.). The grants will be used for a variety of classroom programs throughout the school year.

Wake Electric offers Bright Ideas grants to individual teachers and administrators at schools operating in counties served by Wake Electric. The 2010 Bright Ideas winners were honored on November 19 at a banquet held at the Hilton North Raleigh.

Bright Ideas, sponsored by North Carolina's electric cooperatives (which includes Wake Electric), strives to improve education in North Carolina's classrooms by awarding grants to teachers in grades K-12 for innovative, classroom-based projects that would not otherwise be funded.

Since the program's inception in 1994, the Bright Ideas grant program has funded more than 6,500 projects and awarded more than \$7.1 million in grant monies to deserving North Carolina teachers. Wake Electric's Bright Ideas grant program alone has awarded more than \$530,000 to area educators since 1994.

Fred Keller, Manager of Member & Energy Services for Wake Electric, congratulates one of Wake Electric's Bright Ideas grant winners at the 2010 Touchstone Energy Bright Ideas Awards luncheon, held November 19 at the Hilton North Raleigh.

To learn more about the grant program, visit www.ncbrightideas.com or Wake Electric's website at www.wemc.com/brightideas.aspx.

BY SPENDING A FEW MINUTES, I'M SAVING A LOT.

Yeah, a few minutes. That's all the time it takes me to change my home's air filter every month and save \$82 a year. Not bad for a few minutes of work, huh? What can you do? Find out how the little changes add up at TogetherWeSave.com.

Wake Electric seeks applicants for 2011 Youth Tour

WINNERS RECEIVE \$1,000 SCHOLARSHIP AND ALL-EXPENSES-PAID TRIP TO D.C.

Wake Electric seeks applicants for a \$1,000 scholarship for college, plus a free, all-expenses-paid trip to Washington, D.C., for the 2011 Rural Electric Youth Tour. The trip is set to be held June 11–17.

Students who attend the Youth Tour will join 1,500 high school students from across the U.S. to learn about electric cooperatives, American history and the United States government. Students will also visit the historic sites of the nation's capital.

Applicants must be current high school juniors in Wake, Durham, Johnston, Vance, Granville, Nash, or Franklin counties. Students do not have to live in households served by Wake Electric in order to win.

For more information on eligibility or to download an application, please visit www.wemc.com/youthtours.aspx. The deadline to submit applications to the Youth Tour program is Friday, March 11.

If you have any questions, please contact Wake Electric at communications@wemc.com or (919) 863-6312.

2011 Touchstone Energy Sports Camp scholarships: Apply in January!

North Carolina's Touchstone Energy cooperatives, including Wake Electric, are providing all-expense-paid scholarships for deserving young women to attend the Kellie Harper Basketball Camp at NC State in Raleigh and for young men to attend the Roy Williams Basketball Camp at UNC in Chapel Hill this summer.

Wake Electric will award one scholarship to the top male applicant and one scholarship to the top female applicant to attend these prestigious basketball camps.

The Roy Williams Basketball Camp will be held June 18–22 and the Kelli Harper Basketball Camp will be held July 3–6. Coaches at both camps will work closely with each camper to develop fundamental skills that will help the young athletes both on and off the court.

Rising sixth through eighth graders are eligible to apply and Wake Electric will begin accepting applications on Monday, January 3. The deadline to apply is Thursday, March 31. Applicants will be judged on their academics, extra-curricular activities and accompanying essay.

Students can download an application at www.wemc.com/basketball.aspx, starting January 3.

The Sports Camps program provides an educational and athletic opportunity for outstanding students.

Nonprofits can apply for RoundUp grants

Wake Electric is seeking grant applications from nonprofit organizations in Durham, Franklin, Granville, Johnston, Nash, Wake and Vance counties for the first quarter. The grant deadline is Friday, March 11.

Through its Operation RoundUp program, the Wake Electric Foundation board will consider grant requests for projects and proposals that serve a broad range of individuals, as well as use the funds for educational, charitable or economic development purposes.

Grant requests can be made for up to \$5,000 and are given out in January, April, July, and October. Grant applicants who apply this quarter will find out the status of their proposals in April.

IRS designated, nonprofit agencies serving in counties that Wake Electric serves (Durham, Franklin, Granville, Johnston, Nash, Wake and Vance counties) are eligible to apply. The agency does not have to be a member of Wake Electric.

Nonprofit organizations can receive up to \$5,000 in a calendar year and can only apply once each calendar year.

For more information or for an application, go to www.wemc.com/oproundup.aspx or contact Wake Electric at (919) 863-6312 or email communications@wemc.com.
