## Application Procedures for Operation RoundUp Grant Funding

The Wake Electric Foundation administers Operation RoundUp through Wake Electric. Non-profit agencies in Durham, Franklin, Granville, Johnston, Nash, Wake and Vance counties may apply for up to \$5,000 annually to implement programs or purchase needed equipment to facilitate a program which will help our local communities. No more than one grant per 12-month period of \$5,000 may be given to any group, organization, or charity. Funding goes particularly to areas that Wake Electric serves.

**RoundUp grants are awarded by the Wake Electric Foundation Board of Directors quarterly each calendar year – in January, April, July, and October.** Organizations applying for grants will be notified whether or not they have received a grant by no later than the third week of the month after the applications are reviewed.

The grant application should include a proposal letter along with the grant application and requested attachments. The proposal letter should be brief and concise, not to exceed two pages, single spaced, and should be signed by a designated representative.

**The letter should include:**

- ✓ an introductory description of the program and its impact on the community – BE SURE TO DETAIL AS MUCH AS POSSIBLE THE SPECIFIC REGION (the counties and the areas/towns within the counties) and THE NUMBER OF PEOPLE that your project will impact or affect
- ✓ the amount of funding requested and the amount of the program budget
- ✓ the need and specific population (including age, gender, and cultural background) which the program addresses
- ✓ specific objectives of the program and how accomplishment will be measured
- ✓ relationship of program to other services in the community which may be designed to meet the same or similar needs
- ✓ other sources of funding being approached (and when that funding would be received) and amounts already committed
- ✓ If this is a new program, indicate how continued funding for the future will be secured.
