

Application Procedures for Operation RoundUp Grant Funding

The Wake Electric Foundation administers Operation RoundUp through Wake Electric. Non-profit agencies in Durham, Franklin, Granville, Johnston, Nash, Wake and Vance counties may apply for up to \$5,000 annually to implement programs or purchase needed equipment to facilitate a program which will help our local communities. No more than one grant per 12-month period of \$5,000 may be given to any group, organization, or charity. Funding goes to areas that Wake Electric serves.

RoundUp grants are awarded by the Wake Electric Foundation Board of Directors quarterly each calendar year – in January, April, July, and October. Organizations applying for grants will be notified whether or not they have received a grant by no later than the third week of the month after the applications are reviewed.

The grant application should include a proposal letter along with the grant application and requested attachments. The proposal letter should be brief and concise, not to exceed two pages, single spaced, and should be signed by a designated representative.

The letter should include:

- ✓ an introductory description of the program and its impact on the community – **DETAIL AS MUCH AS POSSIBLE THE SPECIFIC REGION** (the counties and the areas/towns within the counties) and **THE NUMBER OF PEOPLE** that your project will impact or affect
- ✓ the amount of funding requested and the amount of the program budget
- ✓ the need and specific population (including age, gender, and cultural background) which the program addresses
- ✓ specific objectives of the program and how accomplishment will be measured
- ✓ relationship of the program to other services in the community which may be designed to meet the same or similar needs
- ✓ other sources of funding being approached (and when that funding would be received) and amounts already committed
- ✓ If this is a new program, indicate how continued funding for the future will be secured.
